Designer	Sa'eed Orrie
Drawn by:	Sa'eed Orrie
Scale:	1:100 @ A2
Date:	June 2017

- PLANT KEY :**
- Agapanthus preacox 'white' @ 3/m2
 - Elegia tectorum @ 1/m2
 - Dietes bicolor @ 2/m2
 - Carrissa macrocarpa
 - Euphorbia @ 3/m2
 - Carrissa green carpet hedge
 - Diplodenia @ 3/m2
 - Zantedeschia eathiopica

PLANTING NOTES: The overall design consists of a 3 phase structured planting strategy for both the East and western driveway beds. These plant groups are enclosed with a single volume hedge styled plant

- 1) Fore-ground plant - *Euphorbia* to encourage depth.
- 2) Mid-ground plant - *Agapanthus preacox* 'white' as filler.
- 3) Background plant - *Dietes bicolor* being the largest species used as a backdrop.
